Dear Childs Hill

This week is all about information sharing! It has been wonderful to open our classroom doors and see so many of you attend our Parent Information evenings. To those of you that attended, we hope that you enjoyed meeting with your child's class teacher and have been able to take away lots of useful information. Thank you as always for your continued support.

You will have also received a letter this week with information about our Personal, Social and Health Education policy and curriculum.

Relationships and health education have always formed part of our comprehensive PSHE curriculum, but this week we are asking you to look at a few policy changes and engage in a period of consultation whilst we share with you information in relation to the teaching of statutory Relationships and Sex Education (RSE).

Please follow the links below to find out more.

Any finally, we are very happy to announce that in recognition of our work in supporting children's health and wellbeing we have achieved a Silver Award through the Healthy Schools London scheme. We are extremely proud to be part of a programme that supports London's schools in providing an environment that helps our children grow up to be healthy, happy and learn.

*Have a wonderful weekend,
Concetta*

Pathways Parents

Some of you might already know, that Pathways children on the local authority transport have changed their route, escort and a vehicle. To make it safe for all children and to allow more transport arrive at the same time, we have changed the gate for entry to Childs Hill for Pathways parents.

Our lovely Gate Keeper Gosia will open the green gate at 8.45am (on the picture). You are welcome to come into the playground, meet and greet the other parents and chat to staff before the school bell rings. So far Darius, our Bell Keeper, has done a brilliant job.

The school starts at 8.50am when you will hand your children over to Pathways staff and say goodbye. Please make sure you stay with your children up until 8.50.

If you are late, we will be in and out on the playground to check for any parents and children running late up until 9am. After 9am, you must report to the school main office as our registration closes at this time.

Thank you for all your support!
